

6 DAYS PROGRAM

In the foothill of the Vlaina Mountain, at altitude of 1000 m.a.s.l., is settled the town of Pehcevo. This region is a unique combination of almost untouched nature, cultural and historical heritage, folklore and handicrafts, clean mountain air and the highest concentration of oxygen in Macedonia. The pleasant climate makes this region a great getaway for vacation, relaxation and recreation.

DAY 1

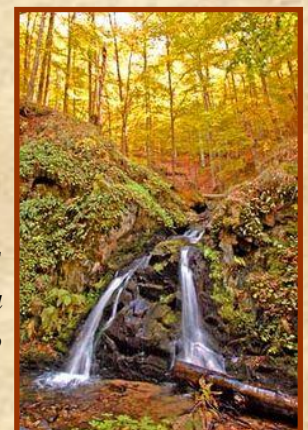

- Transfer from the airport to Pehcevo town
- Accommodation in hotel Gogov and free time to relax
- Dinner and overnight in hotel Gogov

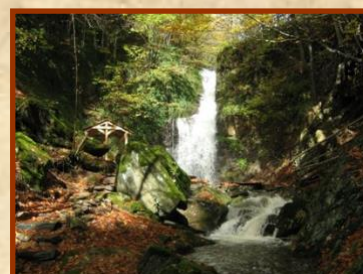

DAY 2

- Breakfast
- Transfer to the place Ravna reka.
- Visit of Pehcevo waterfalls – 4 km walk

The nature has created beautiful waterfalls on the river Bregalnica and its tributaries, offering breathtaking landscape. There are 5 waterfalls which you can reach by walking paths that are cutting the rivers with small bridges. Also there are a lot of signposts, wooden cottages and benches for the visitors.

- Lunch in a Fish Restaurant just next to the fish farm where you can see trout - fish farming.

- Transfer back to Pehcevo town and optional adrenalin adventure on Panorama park

“The adrenaline trail on Panorama Park is a structure of ropes and wires, which hang from one part of the trail to another, at the high trees in the dense woods, and are fixed to auxiliary facilities, sometimes even rocks and relief heights. As obstacles in the construction of the zip line and the adrenaline trail are positioned zic-zac stairs, barrels, spikes and nogs, pillars, swings and timbers, simulated tires, nets, bridges.”

- Dinner and overnight at the hotel Gogov

DAY 3

- Breakfast in hotel Gogov
- Jeep safari tour to the highest peak in the region – Kadiica with 1932 m.a.s.l.
- The route is 25 km long and the final 1 km before the peak is climbing starting from 1620m with beautiful view of meadows and mountains.
- Picnic lunch at the sheep farm just below the peak / (Zelnik - Macedonian pie, sheep cheese, salad, homemade cake for desert)
- On our way driving back to Pehcevo, we will visit the place “Judovi livadi” where we will see the endemic insect eating plant – “Drosera Rotundifolia” and the Educational Center for Nature preservation in Negrevo village
- Free time for rest
- Traditional dinner and overnight in hotel Gogov

DAY 4

- Breakfast
- 20 km. transfer to the place Obozna.
- 10 km. walk to the oldest village in the region – Budinarci

“The walk is starting from 920 m altitude, it is going up to 1040 m and it is finishing in the village on 780 m altitude. Beautiful view of meadows, pine, and oak forest.

Traditional lunch at the yard of the church at the center of Budinarci village.

- In this village you will see the traditional way of making baskets from willow branches
- Transfer back to the hotel, dinner and overnight

DAY 5

- Breakfast
- Transfer to Berovo and coffee break at the centre of the town
- Visit of the church - Assumption of the Most Holy Mother of God and the monastery St. Archangel Michael

“In the beginning of the 19th century, Berovo was a rural settlement with around two hundred houses and one small and fallen into disrepair church. Therefore the more distinguished inhabitants of Berovo at that time decided to have a new church built at the site called Mogila. The Turkish governor (Vali) did give a building permit, however, under exceptionally difficult, almost impossible to be fulfilled conditions, the church was to be built low, below the road level and not to be seen, construction was to end in forty days”

- Short walk around Berovo Lake and transfer to the most famous sheepfold in Macedonia – Klepalo where we will see the traditional production of sheep cheese. Here we will have a lunch and will taste the cheese and homemade Rakia.
- Transfer back to the hotel, dinner and overnight

DAY 6

- Breakfast
- Transfer to airport. We hope that you enjoyed !
